## OBJECTIVE

Highly motivated MCA student seeking an opportunity in the IT industry to apply strong knowledge of programming, software development, software testing, and database management. Possess hands-on experience through academic projects involving Java, Python, Selenium, full-stack development, networking, and AI-based applications. Eager to contribute technical and problem-solving skills to organizational goals while continuously learning and adapting to emerging technologies.

## EDUCATION

**Master of Computer Applications (MCA)** **2025 - 2027**

Bharati Vidyapeeth Institute of Management and Information Technology,
Mumbai University. Sem 1 CGPA: 6.95

**Bachelor Of Computer Science (B.Sc. CS)** **2022 – 2025**

St. Wilfred's Group of College , Mumbai University

CGPA: 8.50

**Higher Secondary Certificate (HSC)** **2020 - 2021**

Abhinav Dnyan Mandir, Karjat
Percentage: 44.40%

**Secondary School Certificate (SSC)** **2019**

Abhinav Dnyan Mandir, Karjat
Percentage: 84%

## TECHNICAL SKILL

- **Programming Languages:** Strong knowledge of Java, Python, JavaScript, SQL
- **Testing & Automation:** Selenium WebDriver, TestNG, Maven, API Testing
- **Technologies:** Fast API, Spring Boot, Node.js, React.js
- **Database:** Knowledge of database management systems MySQL and MongoDB.
- **Core Concepts:** Strong understanding of OOPS, DSA, DBMS, Operating Systems, and Networking.
- **Other Tools:** Git, GitHub, Postman, VS Code
- **Soft Skills:** Strong problem-solving abilities, teamwork, and good communication skills with adaptability to new technologies.

## PROJECTS

**MockRound AI – AI Mock Interview Platform**

- · Developed a full-stack e-commerce platform for product browsing, cart management, wishlist, authentication, and order processing.

- · **Problem Solved:** Solved the problem of managing online shopping operations by providing centralized product, customer, inventory, cart, and order management with secure role-based access control and authentication.
- · **Technologies Used:** React.js, Java 21, Spring Boot, Spring Security, JWT, Spring Data JPA, Hibernate, MySQL, Microservices, Eureka, API Gateway, Maven, Git, GitHub
- **Github:** https://github.com/darshanadhanawade3855/MockRound-AI.git

**Cloud Native E-Commerce – Online Shopping Platform**

- Developed a full-stack e-commerce platform for product browsing, cart management, wishlist, authentication, and order processing.
- **Problem Solved:** Solved the problem of managing online shopping operations by providing centralized product, customer, inventory, cart, and order management with secure role-based access control and authentication.
- **Technologies Used:** React.js, Java 21, Spring Boot, Spring Security, JWT, Spring Data JPA, Hibernate, MySQL, Microservices, Eureka, API Gateway, Maven, Git, GitHub.
- **Github:** https://github.com/darshanadhanawade3855/CloudNative-ECommerce.git

**Hybrid College Campus Network Simulation using NS-3 (Wired + Wireless Topology)**

- Designed and simulated a hybrid college campus network combining wired and wireless infrastructures using the NS-3 Network Simulator.
- **Problem Solved:** Solved the challenge of modeling a complex multi-department academic network by integrating CSMA-based wired networks for student laboratories, faculty rooms, and offices with Wi-Fi-based wireless infrastructure through centralized routing.
- **Technologies Used:** NS-3 Network Simulator, C++, CSMA Module, Wi-Fi Module, Mobility Module, NetAnim.
- **Github:** https://github.com/darshanadhanawade3855/campus-network-simulation.git

---

## WORKSHOPS

- Participated in the seminar **"Turning AI Models into Real-World Applications"** at Bharati Vidyapeeth's Institute of Management & IT, March 2026, focusing on practical implementation of AI solutions.
- Attended a one-day workshop on **"Innovative Designing of an Application with Spring Boot"** at Bharati Vidyapeeth's Institute of Management & IT, December 2025, conducted by an industry expert from RBI IT Pvt. Ltd.

---

## CERTIFICATIONS

- Completed **Software Testing** Certification – QSpiders.
- Completed **Data Analytics** Certification. -Qspiders
- Completed **Generative AI** Fluency Certification – IT-ITeS Sector Skills Council, NASSCOM / FutureSkills Prime.

---

## ACHIEVEMENTS

- Science at St. Wilfred's College of Arts, Science & Commerce. *(Use only if **9.10** is your official CGPA.)*
- Received a Certificate of Appreciation from **QSpiders** for contribution during the Job Fair.
- Successfully completed certifications in **Software Testing, Data Analytics, and Generative AI** Fluency.
